Robotics class visit checklist

Visit while a class is running and take your child with you. Tick only what you see for yourself, and write the answers down, so the classes are easy to compare at home.

Class or centre _____

Area and journey time _____

Date of visit _____

Child's school class _____

IN THE ROOM

- ☐ Each child has parts, not only a screen
- ☐ The trainer can see every table
- ☐ Cells sit in holders or a box, not loose
- ☐ A soldering iron, if used, rests in a stand
- ☐ No project is plugged into a wall socket
- ☐ Finished models are on show
- ☐ A first aid kit, and someone who knows where it is
- ☐ My child looks curious, not lost

ASK BEFORE YOU JOIN

- ☐ A clear fee in writing: A _____ B _____ C _____

AFTER ONE MONTH

- ☐ Keen to go on class day, even in a busy week
- ☐ The models change and slowly get harder
- ☐ The trainer can say what my child built and where they got stuck
- ☐ Mends a loose wire at home without being asked
- ☐ Asks new "what if" questions at home
